Issue 6

Dear families

I hope you have had a lovely week.
I wanted to take the opportunity this week to write about the Character Curriculum we have here at Globe. With the Character Curriculum we aim support our children to grow into adults who are respectful, polite, appreciative, who recognise the needs of others and who understand their rights and the rights of others; to be good citizens. You will often hear the Character Curriculum called The Globe Way as that is the phrase we use in school with the children. There are different strands of the Globe Way: Good Listening, Good Manners, Good Walking, SHAPE your answers and several others. We have a lesson every week where we teach the behaviours we expect to see in school and practice them until they become habits. This contributes to ensuring the school is a calm, focussed environment for learning, playing and being. This is one of many ways that we aim to fulfil our values for Everyone Belonging, Everyone Achieving, Everyone Thriving.

We have had another good week with attendance. It was 97%. We do unfortunately have an average of 3% of children who are late daily. Being late to school can mean missing learning and children often feel uncomfortable coming into class after everyone is already in and settled. While we know there are often good reasons why families may be running late, slight adjustments to morning routines can make a big difference and ensure your child is on time to school.

Globe Coffee and Connect morning
We have begun a new coffee and connect morning at Globe. It is being run by Yamin and Rumana. We aim to bring together families from all sections of our school community. At this coffee morning, we will extend our support and time to parents who would like to meet and speak in their heritage language especially Bengali and Somali. We already have a brilliant FOGs coffee morning, which has never been more popular. Everybody is welcome at both events and we warmly encourage attendance. Our aim is to build a sense of belonging within our families at Globe, not just with the children.
